

# INFORMATION SHEET

## CELOX PRICES

### CELOX WORKSHOP

We are approved to provide training on the correct use of CELOX by first aiders.

Our Workshop is between 1 and 2 hours, depending on the number of delegates on the course, and the nature of the work that they do

The workshop is £150 + VAT for up to 12 delegates, delivered on your own site and will act towards your 3 hour annual refresher training requirements, as we re-emphasise the requirements for the control of bleeding, without the use of Celox.

### CELOX PRICES 2011 - 2012

15g sachet of granules	£14.50 incl vat
35g sachet of granules	£18.50 incl vat
